Lighthouse Opens New, Larger Madill Clinic; Community Dedication Set for Aug. 15

MADILL, Okla. – Lighthouse Behavioral Wellness Centers will celebrate the opening of its new, larger Madill clinic this week with a ribbon-cutting ceremony and tour scheduled for noon, Thurs-day, Aug. 15, 2024.

As with the other eight Lighthouse outpatient clinics (located across Southern Oklahoma), the new Madill clinic, located at 603 S 1st St., offers comprehensive mental health care in a setting designed to foster compassion and accessibility.

“We have served the Madill community for years, and this larger facility will allow us to provide an elevated level of care,” said Jessica Pfau, Lighthouse CEO. “Investing in Madill through this new clinic demonstrates our commitment to serving our clients, supporting them with hope and compassion along their journey of healing.”

This new facility will provide better parking, easier access, and a more spacious layout to ensure a more convenient and comfortable experience for all clients. The upgraded amenities will not only help improve the overall quality of care, but also provide room for future growth and further expansion of services.

“Lighthouse continues to rapidly grow to meet the needs within Southern Oklahoma,” Pfau said. “We are expanding in many of the area communities we serve, including Ardmore, Durant, Ada and Pauls Valley. Madill is just the beginning. There is so much more to come.”

The ribbon-cutting ceremony and clinic tour is free and open to the public. For more information about Lighthouse Behavioral Wellness Centers and their services, visit www.lighthouseok.com.
